

Dear Fox Ridge Community,

It is a pleasure to welcome you to the 2017-2018 school year! This year we celebrate as Fox Ridge Middle School turns 10 years old. We will celebrate past accomplishments and plan for the future. As we embark on this journey, I know it will be one filled with engaging, meaningful and rigorous work in our classrooms and will showcase our performing arts groups, athletic teams and clubs. We will continue to build upon and refine our foundation, focus on learning and student success. We will continue to be a ***school committed to every child, every day.***

I look forward to a very positive and productive year together and extend a special, yearlong invitation to join us at school activities and events whenever possible. We want, need and value your involvement in your child's education! Your active participation is key to the success of your child during his/her middle school years.

Please know that we highly value home/school communication here at Fox Ridge. Your involvement is vital and I encourage you to *stay in the know* about your child's studies, assignments, assessments, and school activities, as well as other events and happenings.

Have a great year and again, welcome back to school.

Your partner in education,

Dr. Gallozzi
