**Message from the Clinic:**

Please remember to pick up your child's Epi Pen, inhaler, or medication from the clinic prior to the last day of school.

If it is not picked up it will be handed over to the district (at noon on May 25<sup>th</sup>) and then discarded.

Student fees or fines will be coming out soon. The payment deadline is Wednesday, May 16<sup>th</sup>. Elitch tickets and yearbooks will be held until fees are paid. Library books and materials are due by May 3<sup>rd</sup>.

### **Uber Eats and Other Delivery Services**

Students are not allowed to use Uber Eats or any other delivery services at school. Please note, the security office will not accept deliveries for students from delivery services. Students will have to pick up any food/beverage delivery after school hours.

### **E-cigarettes**

We want to bring to your attention an increasing issue in schools. E-cigarettes or “vape pens” are becoming more popular among teenagers. Specifically, Juuls are being used by kids in schools and even in classrooms. The Juuls are so discrete that you may not even realize it is an e-cigarette. They look like USB drives and even plug into computers to get their charge. Check out the video below for more information. Under district policy, any product packaged for smoking is prohibited.
