RISE

The purpose of RISE is to support students with their social/emotional development through lessons that teach students about our RISE Pillars. RISE lessons will be taught on Thursdays and Fridays during first period.

Respect Integrity Safety Excellence

FLEX

The purpose of FLEX is to provide academic support for students who either need more time with a subject or who need an extension to go deeper. FLEX allows teachers to provide intervention within the school day. Students will rotate to each core subject within a two week period on Tuesdays and Wednesdays.

*Note: Mondays will be designated as a study hall time to complete homework or missing assignments. Students can use this time to get help from other teachers.

Advisory

The purpose of Advisory is to provide students with a homeroom with one of their core teachers each day before lunch. The homeroom teacher will check in with students regarding grades and progress towards student goals. Advisory will serve as a means to disseminate information to students and families. During Advisory students will Drop Everything And Read (DEAR) and teachers will be checking-in and advising students once a week on grades.
