

Hello Fox Ridge Community,

We are hoping to collaborate with our students, families and staff to come up with some guidelines for how our students use cell phones here at school. We have a brief, 8-question survey to help us better understand what you are seeing and experiencing with your child and cell phones specifically. Thank you in advance for your willingness to participate in this process! We would like your feedback by December 17.

[Click here to access the survey.](#)

Thank you,

Wendy Smith  
6th Grade Counselor  
Fox Ridge Middle School
